Medical Maintenance and Supplies

*Repairing devices.....
Saving people's life*

Welcome to Life Medical

Life Medical is one of medical equipment service providers in Egypt. we modify, repair, maintain, and sell a wide variety of medical instruments and equipment used in surgical field.

QUALITY

Quality

why **Life Medical**? only uses parts that meet or exceed OEM specifications when we are performing repairs or modifications to medical instruments and equipment.

Value

We are committed to providing premium products and services at affordable pricing. This allows us to work within both large and small budgets for our customers. We are able to offer economical solutions so that our clients can run a profitable practice without sacrificing any level of quality or service.

Service

Maintenance, repairs and modifications are performed by knowledgeable experts with years of medical industry experience. Our staff receives on-going training to remain up-to-date with current standards and technology. Life medical goes the extra mile to understand your needs and to determine how they can be best met

Responsiveness

Speed and turn-time are critical factors to us because they are critical to you. We conduct our business, literally, as if someone's life depends on it. Next day and weekend service are available for urgent equipment repairs. Our equipment technical support team is able to provide quotes on demand with both pricing and product availability.

On-site Preventative Maintenance Program

We will perform an on site condition assessment of your powertools equipment, document the results, and provide a comprehensive review of our findings. Additionally, we will offer recommendations to keep your powertools equipment in top working condition.

Quick Turnaround

The average turnaround time for most power equipment repair is 5 – 7 days.

Onsite Training

The Life Medical people will visit and educate your team about proper care and handling of your devices.

"No Hassle" Warranty

The Life repair center People offer a 'no hassle' full 6-Month warranty on every surgical power equipment repair. This warranty ensures our quality of workmanship, parts and materials.
